26th JULY 2011

CORPORATE CHALLENGE GREAT RACE

Racers start your engines - here's your chance to compete in the Corporate Challenge Great Race and win an all expenses paid trip for your team to the Gold Coast to represent New Zealand against our Trans-Tasman Rivals.

Teams of 4 are invited to compete in the Corporate Challenge Great Race – taking place in 6 regions throughout Australia and NZ on the 24th of September 2011. Teams will use their own vehicle to race around Auckland, following clues and completing individual and team tasks in the attempt to be the first to cross the finish line. The winning team from each region will then head on an all expenses paid trip to the Gold Coast in October to compete in the Grand Final. We can also deliver an internal **Health Challenge** for your team.....or event your entire company. Contact us today to find out more.

THE FISH PHILOSOPHY

At our recent mid-year conference the Corporate Challenge team took time to focus their attention on the "Fish Philosophy". All 21 staff across New Zealand and Australia read the book and developed a goal to put the 4 key principals into action to benefit all of our clients.
