

WAIHEKE OFFICE OPENS

Corporate Challenge NZ has kicked off 2011 with a bang by launching our new office on Waiheke Island. A popular destination for the Corporate Market, Waiheke is a short trip to a far away place, and is fast developing a reputation as one of the top places to Conference in New Zealand.

Darrel Hall, our Waiheke Program Coordinator, heads up the new office based at Matiatia (the gateway to Waiheke) and is excited about the potential for growth, "We have laid strong foundations on the Island over the last 3 years and look forward to providing unique and professional Team Building Programs for companies who choose Waiheke as their Conference Destination"

For more information about our Waiheke Office and the range of Programs on offer contact Darrel on 0800 TEAM NZ (0800 823 669)

CAMP QUALITY UPDATE

Camp Quality Rotorua Jan 2011

Corporate Challenge has a long standing relationship with Camp Quality NZ, especially with our Bikes For Tykes program where teams build and donate bikes to children living with Cancer..

In January this year the Corporate Challenge Team were fortunate enough to be invited along to Camp Quality's Waikato-Bay of Plenty Summer Camp to facilitate a range of activities for the Campers. This was a great event to be involved with and the smile on all of the participant's faces was just priceless!

We have had some great events so far in 2011 where we have been lucky enough to work with Camp Quality, donating a bikes and a range of other goodies in Christchurch, Tauranga, Rotorua and Auckland. I know the team at Camp Quality are very appreciative of the support and generous donations made by our Clients - Well Done Guys!!

PEDAL TO THE MEDAL

February saw a new Program developed in conjunction with Red Bull for their conference in Tauranga. The new Pedal to the Medal Program is based around team's building Mountain Bikes and competing in a team Relay Race. As you can see from the victorious team in the photo on the right, a great time was had by all. Do you have a concept that we can bring to life for your next conference or team event? Let us know!
